Bridewealth Women And Land Social Change Among - tldr.io

The role of bridewealth vis-a-vis change is examined with respect to family organization, property relations and social interaction between people connected through such transactions. In contrast to the usually male-centered studies of bridewealth exchanges, the relationship between bridewealth and women's statuses and role, especially pertaining to property, is explored (p. 13).

BIBLIOGRAPHY OF AFRICA - Bridewealth

Bridewealth: Bridewealth, payment made by a groom or his kin to the kin of the bride in order to ratify a marriage. In such cultures, a marriage is not reckoned to have ended until the return of bridewealth has been acknowledged, signifying divorce. The payment of bridewealth is most often a matter of social

Bridewealth | marriage custom | Britannica.com

Women in many countries where bridewealth exists take pride in the high amount they get or, inversely, are ashamed if the amount they received pales in comparison to payments received by their friends or relatives. For many women, bridewealth reflects the value they have in the eyes of their own kin and their society.
