Creative Futures: A Renewed Cultural Policy for New Brunswick

Cultural policy is the government actions, laws and programs that regulate, protect, encourage and financially (or otherwise) support activities related to the arts and creative sectors, such as painting, sculpture, music, dance, literature, and filmmaking, among others and culture, which may involve activities related to language, heritage and ...

Cultural policy - Wikipedia

One participant noted the distinction between cultural production (Hollywood), cultural expression (language policy; headscarves for Muslims in France), and cultural analysis of policy (the cultural dimensions of welfare or health policy). The cultural production part clearly falls into the "arts" mission of the Center, and the cultural analysis part seems to fall outside the Center's ...
