the rights themselves (Human Rights: Historical Development, n.d.). Locke's philosophy, known as classical liberalism, helped foster a new way of thinking about individuals, governments, and the rights that link the two.

Human Rights - Globalization101

Human development and human security are interlinked but are by no means identical. Human development is a broad concept, aiming at enlarging people's choices and freedoms. Human security is about assuring priority freedoms so that "people can exercise choices safely and freely" (HDR 1994, page 23) and can be confident that the opportunities they have are protected. Some elements of ...
