populism and the mirror of democracy | Download eBook pdf

populism is defined by Mudde as a thin-centered ideology, it can be found across ideological cleavages, fused with either left- or right-wing appeals: "which ideological features attach to populism depend upon the socio-political context within which the populist actors mobilize"

Varieties of Populism: Literature Review and Research Agenda

2 Today the risk of widespread populism is a reality in eu-rope and could rapidly become a durable force. Today it is still probably manageable but could spiral out of control.

The Rise of Populism - Spinelli Group

Populism is a political and social phenomenon that arises from the common man, typically not well-educated, being fed up with 1) wealth and opportunity gaps, 2) perceived cultural threats from those with different values in
