An Isolated Incident is a psychological thriller about everyday violence, the media's obsession with pretty dead girls, the grip of grief and the myth of closure, and the difficulties of knowing the difference between a ghost and a memory, between a monster and a man.

An Isolated Incident | Rakuten Kobo

Isolated Incident is the story of the tragic death of a young housewife and mother, Nancy Cooper. But it is also the story of small town politics and justice, and the rush to judgment that followed her murder. On a summer morning in 2008, Nancy Cooper went for a run ... never to be seen alive again. Her friends immediately suspected her husband ...
