/ Lesson Plan: Spiders. Lesson Plan: Spiders. August 30, 2015 By Sara Mullett Leave a Comment. This week's lesson plan is all about spiders and I always find it's very popular even with little babies of 9 months right through to five year olds. There is lots of rhythm work and imaginative movement for the older children, and the younger ones enjoy the visual storytelling with lots of ...

The spider Introduction Many people confuse spiders with insects. The easy way to recognize the spider from an insect is that spider has 4 pairs of legs and an insect has 3 pairs. One major difference is that insects have compound eyes whereas the spider has singular eyes with lenses. Unlike insects, spiders do not have antennae.
