### **stained glass getting started pdf**

Stained glass boxes are an all time favorite project, not only because they are so beautiful but they make an extraordinary gift for literally any occasion.

### **Make a stained glass box with a hinged lid instructional ebook**

This is an excellent teaching/design book for the neophyte and intermediate stained glass worker. An outstanding feature is the above average quantity of color pictures throughout that will make it a pleasure as well for anyone who simply wants to enjoy the beauty of stained glass without going through the large group class experience.

We will be celebrating our 25-year anniversary this April at the Southpoint convention center in Las Vegas. Heralded as one of the most professional, family orientated, educational art glass and bead trade events in the US; this event has it all and with thousands in attendance each year, there is good cause for celebrating.
