Common Problems In Trauma Common Problems In Surgery

The quality and quantity of randomised trials of surgical techniques is acknowledged to be limited. According to Peter McCulloch and colleagues, however, some aspects of surgery present special difficulties for randomised trials. In this article they analyse what these difficulties are and propose some solutions for improving the standards of ...

THE PROSTATE AND BLADDER PROBLEMS ENGLISH The prostate is a gland that only men have. It is about the size of a walnut and sits below the neck of the bladder, surrounding the bladder outlet (the urethra). The prostate makes a milky fluid, which is part of semen and feeds the sperm. As men age, the prostate gland gets bigger. This happens over many years and for some men this can cause bladder ...

Problems of Anesthesia 3rd Hartmann Memorial Lecture E. M. Papper, M.D. It is a great pleasure and a real privilege for me to have the honor of delivering the 3rd Hartmann Memorial Lecture. The honor you confer on me is multiple in nature. First is the opportunity of bringing to you some of the problems of anesthesia and a few of their solutions; second is the gratification of being invited by ...
