NSF International, 7 ISO 14001:2015 Certification Transition Timeline o Must identify current organizational gaps o ISO 14001:2004 will not be valid after the 3-year transition period

ISO 14001:2015 - NSF International

Since the mid-2000s, organizational change management and transformation have become permanent features of the business landscape. Vast new markets and labor pools have opened up, innovative technologies have put once-powerful business models on the chopping block, and capital flows and investor demand have become less predictable.
