The Art and Craft of Teaching V. ! ISM K My aim in this essay is to recover on a theoretical level what I believe practitioners teach

The Art and Craft of Teaching - ASCD

And finally, written to embrace all the arts, Elliot Eisner's "10 Lessons the Arts Teach" provides a compelling list that can be adapted for art, craft and design.

Why do we teach art, craft and design? - NSEAD

Art education encourages divergent and creative thinking, heightens student awareness of the environment, and develops special knowledge and concepts. Art activities are motivational; they are used for creating interest in many subjects. The ease with which art is integrated sometimes causes problems. Very often, the objectives of the art program are overlooked or, at best touched on briefly ...

www.ed.gov.nl.ca

A variety of art and craft resources for children to develop their fine motor skills, be creative and make personalised items. Use the range of templates and activity instructions with different art and craft supplies to create classroom displays, gifts, cards and/or themed objects for special occasions.
