Teaching elaboration does not have to be all theoretical and difficult to grasp. Here are some ways that I have taught my students to elaborate when they write, and the strategies are ones you can incorporate into your writing class today with no additional effort. I use these lessons in the context of a creative writing exercise dealing with imaginary creatures which I outline below.

### **Creature Creation: 4 Fabulous Strategies for Teaching**

Each word had its own colored strip, and they had to turn it into a chain. It was a pretty small chain. It was a pretty small chain. But, I wanted them to use some elaboration, so I asked what more they could tell me

about this.
