Textual Translation and Live Translation is not an ordinary book on translation theory, nor an ordinary book on translation practice, or at least it is not a translation study organized in the ordinary way.

Textual Translation and Live Translation: The total

After the many interdisciplinary perspectives on nonverbal communication offered by the author in his previous seven John Benjamins books, which have generated a wide range of scholarly applications, the present monograph is dominated by a very broad concept of translation. This treatment of translation includes theater and cinema (enriching ...
