

the art of anatheism pdf

The Art of Anatheism, convoking the greatest authors of the Continental (Jean-Luc Nancy) and Anglo-Saxon (John Caputo) traditions, here proves that anatheism, invented by Richard Kearney, is not an obscure idea. Anatheism becomes for today a new way of thinking transcendence in order to not reduce it to silence. Not confronting it would be to flee the challenges posed by our contemporary world.

The Art of Anatheism | Rowman & Littlefield International

The Art of Anatheism brings together philosophers, theologians, and artists to open up the question of the relationship between artistic creation and the divine. The book asks the question - how can God happen again after the death of God? It answers it by proposing an 'art of anatheism' which attends to the recreation and return of the divine through certain forms of literature, painting ...
